PS THE PREVENTIVE MAINTENANCE MONTHLY

INDEX NO. 20 to ISSUES 200-205 (Jul-Dec 1969)

An index to the preceding six issues of PS Magazine is published twice yearly by the Department of the Army for the information of organizational maintenance and supply personnel. Distribution is made through normal publication channels by the "Pin-Point" distribution method.

Within limits of availability, older issues may be obtained direct from PS Magazine, Fort Knox, Kentucky, 40121.

PS Magazine wants your ideas and contributions, and is glad to answer your questions. Names and addresses are kept in confidence. Just write to:

DISTRIBUTION:

In accordance with requirements for PS Magazine submitted on DA Form 12-4. One copy of this index is distributed for every three copies of PS Magazine required.
